NASHVILLE.

Convention Called to Order
by Childress.

An Address by Chairman
Wallace.

McConnell, of Hamilton, Temporary
Chairman.

A Patriotic Speech for Harmony.

A 50-3 Suggestion Heartily Ap-
plauded.

Special to Ledger.

NASHVILLE, June 20.—The Demo-
cratic State Convention was called to
order at 12 o'clock by Chairman Chil-
dress.

Chairman Wallace, in a brief speech,
alluded to the fact that in the same
hall two years ago came the unfortu-
nate split which divided the party and
gave the State to the Republicans. He
then read the call for the convention.

Hon. McConnell, of Hamilton, har-
mony man, was unanimously chosen
temporary Chairman. In his speech
he urged unity in the party, in order
to perpetuate the principles of Demo-
cracy; that the debt question should
no longer be permitted to divide
the party, but they should yield
one to another, and that it
should be made a secondary ques-
tion. As to 60-6, if it meets the
condemnation of the majority of the
Democratic party, it should be repu-
diated. He believed the voice of the
people sounded ten to one for its re-
peal. Loud cheering greeted his sug-
gestion of 50-3 as the figure of settle-
ment.

Neill S. Brown was chosen tempo-
rary Secretary, and a committee on
credentials was appointed. H.

Printers on a Strike.

BUFFALO, June 20.—The types
connected with the newspaper depart-
ments of the daily papers generally,
quit work to-day, demanding an in-
crease in composition from 30 and
35c per 1000 per ems to 33 and
38c for day and night work respectively.
A communication was sent to two daily
papers claiming that the request was
made in accordance with the action
taken by the Printers Assembly and
Knights of Labor. Time to consider
the action of the strikers were ques-
tioned by one of the dailies, for a few
days, to confer with the other papers but
this was refused, and the other dailies
refused to hold a conference with the
appointed committee of the Knights
of Labor. No definite refusal to pay
the increase or to compromise has
been made. A few of the
oldest hands remain at their cases,
and the publications will be issued
on time. Compositors from other de-
partments of the papers will be put at
the cases, and the places of the
strikers filled as fast as possible.

Fire.

BROCKPORT, N. Y., June 20.—The
Johnson harvester works are burned
down, \$500,000; insurance, \$200,000.
Four hundred and fifty men are thrown
out of employment. One man was
burned to death.

Four hundred and fifty men are thrown

burned to death.

FOREIGN AFFAIRS.

LONDON, June 20.—It was stated in
the House of Commons, yesterday,
that the arms seized at Clerkenwell
on Saturday were manufactured by or
for the government.

Gladstone will be asked on Thurs-
day whether the United States govern-
ment refused to agree to the expulsion
of American suspects from Ireland.
As a condition for their release, the
repression bill has been adopted as far
as and including the tenth clause.

ALEXANDRIA, June 20.—A corres-
pondent telegraphs that Ragheb Pasha
has refused to accept as colleagues in
the ministry the nominees of Arabi
Pasha, who were members of the last
Cabinet.

MONTREAL, June 20.—A fire last
night destroyed the Herald building.
The printers had only time to escape
in their slippers. Loss, \$40,000.

LONDON, June 20.—A farmer named
Levy was found dead near Birr, hav-
ing been shot.

PARIS, June 20.—The divorce bill
has passed the Deputies by a vote of
336 to 150. The fate of the bill in the
Senate is doubtful.

DURHAM, June 20.—Fighting has be-
gun between the chiefs in Zululand.

A large army, under Dabuko,
brother of Cetewago, defeated Chiefs
Usilopan and Oldham. It is expected
Dabuko will attack John Dunn.

LONDON, June 20.—The Times says
that the Lord Lieutenant of Ireland
and his subordinates, after careful in-
vestigation, are convinced that
crime in Ireland is not sporadic, but
its machinery deliberately set in mo-
tion by organized agencies, command-
ing large resources and obeying the
impulses of foreign origin.

In the House of Commons this after-
noon, Mr. Dilke, Under Foreign Sec-
retary, stated that a conference of six
great powers will meet in Constantinople
Thursday, without the consent
of Turkey.

Liverpool Markets.

LIVERPOOL, June 20.—Lard—
Prime Western steady, at 38s. 9d.
Corn—Mixed old firmer, at 6s. 2d.
Resin—Common dull 6s. 6d.

Gold Shipments.

NEW YORK, June 20.—One and a
quarter millions in gold will be shipped
to-morrow on account of the Italian
loan.

Quit Work.

HOBOKEN, N. J., June 20.—Long-
shoremen, 200 in number, employed
at the Hamburg and Bremen docks,
quit work this morning.

Men Going to Work.

CLEVELAND, O., June 20.—More
men left the Union and went to work
to-day at the Cleveland rolling mill.
The number of strikers resuming their
places is small, but the company's
officers report that applications are
made daily, and that skilled workmen
from other cities, presumably strikers
are arriving, while a few men from
here have gone elsewhere seeking
employment. There were no disturb-
ances at the mill when the men went
to work to-day.

The New Passenger Pool.

CHICAGO, June 21.—The new pool
ing passenger arrangements between
Chicago and southwestern points went
into effect to-day. It is freely pre-
dicted that the arrangement will soon
be broken, because the through rates
from New York to Kansas City, which
have been \$25 via Chicago and \$28.25
via St. Louis, will, under the present
plan, be \$32.60 via Chicago and only
\$31.75 via St. Louis. This is a greater
discrimination in favor of St. Louis
than the St. Louis roads ever claimed.
Chicago roads are likely to object.
Specials generally report a fine out-
look for corn crops in the corn sec-
tions. In this vicinity early planted
corn stands eight or ten inches high,
and has been cultivated two or three
times. In Southern Illinois some
fields have been flooded, and will not
produce much of a crop. On the
Indiana bottoms much has been re-
planted and some totally ruined, but
on the uplands it is in fine condition.

Wall Street.

NEW YORK, June 20.—The stock
market opened weak, 1/2 to 2 percent low-
er than yesterday's closing prices. Mis-
souri Pacific and the Canada Southern
weakest. In early dealings prices fell
off 1/2 to 2 percent. Reading, Michigan
Central, New Jersey Central, Louis-
ville & Nashville and Denver being
the most prominent. This was suc-
ceeded by a recovery of 1/2 to 1 1/2
percent, Michigan Central and Mis-
souri Pacific leading.

When 1/2 to 1 percent higher, fairly
active and firm.

Money, 3 percent; prime mercan-
tile paper, 4 1/2 percent. Ex-
change is steady, at 86 1/2 for
long, and 89 for sight. Government
bonds are irregular. State bonds are
inactive. Railroad bonds generally
are a fraction lower.

Stocks—After 11 o'clock, the market
opened moderately active, and after a
decline of 1/2 to 1 percent prices
advanced 1/2 to 1 percent. New Jersey
Central and Missouri Pacific leading.
At noon there was a fractional reac-
tion.

**SUCCESSFUL DRAMATIC SEAS-
ON.**

Over Four Millions Taken In
by New York Managers.

Special to the Cincinnati Commercial.

NEW YORK, June 18.—The Herald
says: The figures which we publish,
in a review of the late dramatic sea-
son, will perhaps astonish even old
theater-goers, those theatrical old
wiseacres who think they can tell you
off hand the secrets of the season from
stage door to box office. We doubt if
even they realize to what a pretty tune
the people of this amusement-loving
city are paying the piper.

We doubt if even they appreciate
that these nine managers, Wallack,
Palmer, Daly, Abbey, Haverly, Hen-
derson, Stetson, Harrigan and Mal-
loy, have between them received
nearly \$4,000,000 from the amusement
public since last autumn. The article
presents some interesting statis-
tics, showing how cosmopolitan are
our tastes, and how equally well ap-
ported are theatrical entertainments
of widely different kinds and actors
and singers of varied nationalities.
There are those who will find fault
no doubt with the millions thus ex-
pended in theatrical amusements, and
there are individuals who will calcu-
late exactly how many paper collars
and double breasted ulsters might
have been provided with the money
for the naked and otherwise uncon-
ventional heathen of, say, Central
Africa.

We have no ill will toward those
free and untrammelled pagans, and shall
feel glad to know that they have a
sufficiency of missionaries and wear-
ing apparel to put them on a footing
equal to the best families of the
neighborhood, but we nevertheless
think that money expended in the
theaters is wisely invested. As a
people we are too much given to busi-
ness cares and anxieties, and anything
which diverts the mind pleasantly
after our long hours of business im-
proves us mentally, morally and phys-
ically.

Let the heathen have
